

## PIR-A receives Ohio New Product Award

The Ohio Society of Professional Engineers has selected the Pile Installation Recorder for Augercast Piles, PIR-A, to receive the Ohio New Product Award. This prestigious award is presented each year to new engineering products that provide improved functionality and savings, and whose manufacturing operations contribute to added employment and economic development. The PIR-A makes it possible to accurately and automatically monitor the installation of augercast piles. The equipment is manufactured and commercialized by Pile Dynamics, Inc., 4535 Renaissance Parkway, Cleveland, Ohio, 44128. Phone: (216) 831-6131. Fax: (216) 831-0916.
