**Oscar Fusconi**

With great sadness we announce the passing of Oscar Fusconi, on May 31, 2011.

Oscar was the founder of CARMIX do Brasil and a Pile Dynamics representative for that country since 2005. He was a dear friend, remarkable for this energy and dedication to the business. He will be missed.

We express our sympathy to Oscar's wife, his son Francesco Fusconi and his entire family.

Francesco was groomed by his father to take the helm of CARMIX do Brasil, and the firm continues to represent Pile Dynamics in Brazil under his leadership.
