

## Rausche wins ASCE award

Frank Rausche (left), president of GRL Engineers, has been awarded the 2009 G. Brooks Earnest Technical Lecture Award by the Cleveland Section of the

American Society of Civil Engineers (ASCE).

GRL Engineers is a partner in Pile Dynamics, and Dr Rausche is a founder of both companies. He is a prominent researcher and one of the early pioneers of the field of Dynamic Testing of Deep Foundations and Wave Equation Analysis of Pile Driving.

The prestigious GBE award was established by the Cleveland Section in honour of G. Brooks Earnest, which is presented yearly to an outstanding individual of prominence in the field of Civil Engineering. ■
